REVIT, Specs, CAD and BIM Availability

Through our partner ATS, American Standard Brands provides a complete plumbing specification solution for your Revit and 3D projects. With over 8,500 product combinations accessible for immediate download and new files being added daily, ATS is the largest source for Revit plumbing equipment. ATS and American Standard’s combined 3D BIM families can be easily accessed and downloaded at no-cost to the specification design community. For more information, please visit our partner website, www.atsspec.net.
